NARRATIVE:

Hernandez is a documented member of the Florencia 13 street gang. He has an extensive criminal history that began at the age of 19. He has been convicted three times for felon in possession of firearm, manufacturing of dangerous weapons, vehicle theft, disorderly conduct, possession of narcotics for sale and violation of post release community supervision. He was released most recently from state prison to the supervision of the Los Angeles County Probation Department on June 10th, 2012 after serving a two (2) year term for felon in possession of a firearm. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in October 2013 after he absconded from post release community supervision (PRCS). Hernandez qualified to be released to the supervision of probation, under AB 109, because his current commitment offense of felon in possession of a firearm is defined as non-serious and non-violent under the California penal code. His prior history, status as an active gang member and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
